

Walgreens: Lancaster Pike

Wilmington-

This free nasal swab viral testing (done by swabbing just inside the opening of the nose – not the back) is available Monday through Saturday from 9 a.m. to 1:30 p.m. and 2-5 p.m. inside the pharmacy. (Testing is closed from 1:30-2 p.m. each day for a staff lunch break.) No testing on Sundays. This testing will be by appointment: <https://www.picktime.com/DECOVID19test>. You can make an appointment up to 3 days in advance.

If a patient does not have an appointment and does not have access to the internet, the team can schedule the person.

Patients will be screened upon arrival for temperature and symptoms. This site will be testing asymptomatic patients only; if a patient does have symptoms, they will be referred to another testing site.

Most test results available within 3-5 days.
